

## ***Walking in Boston – Camp Policies and Rules***

Boston University's campus is a safe environment, however it is a city and it is never a good idea to go out into an unfamiliar place alone.

When campers travel to scheduled practices, meals, entertainment, events, and meetings they will ALWAYS be accompanied by a camp counselor or coach.

However, during a camper's "free" time she may wish to leave the dormitory to buy something at a convenience store, or go to a coffee shop.

Campers who wish to leave the dormitory without a counselor or coach present must:

- Check in and out with a camp counselor.
- Be accompanied by another camper.
- Remain within one block of the dormitory.
- Have her parent's/guardian's permission.

Please complete the lower half of this form and mail it to the camp manager before July 1st.
