

Proposal title:
PI (and collaborators):

Reviewer: _____

Overall Rating: ___ Excellent ___ Good ___ Fair ___ Poor

1. Technical merit.

2. Innovativeness/risk level.

3. How does the new topic relate to the PI's previous work?

4. Is there a collaboration proposed, is it a new collaboration? Does it strengthen the proposal?

5. Is it clear how the PI's network will be enhanced/how it will expand her professional network?

6. Are there stated goals that can be obtained if this catalyst funding is provided?

7. Is the budget in-line with the proposed research effort?

8. Other.
