The London Internship Program offers a semester of study and work in England’s exciting capital city. This program combines a professional internship with coursework that examines a particular academic area in the context of Great Britain’s history, culture, and society and its role in modern Europe. Courses in each academic area are taught by selected British faculty exclusively to students enrolled in the Boston University program.

Upon successful completion of a semester, students earn 12 Boston University credits.

**HOUSING**

Student live in furnished apartments with other students in BU Study Abroad London’s programs. The apartments are within walking distance of the BU London Academic Center in South Kensington. They vary in size, configuration, and style of decoration. Most students (95%+) live in shared bedrooms, often in bunk beds, with ensuite shower room, a shared kitchen and living/dining room area. British Programs staff and RAs live in BU’s building along with the students, helping to ensure a high level of maintenance and security. There is WiFi access in the residences.

**ADMISSIONS**

- Students are accepted into one of the program’s 6 different academic tracks, which cover a wide variety of fields
- Some courses carry prerequisites
- All students must complete the full 12-credit program, enrolling in two academic courses and one internship course
- Refer to our policy on eligibility/admissions at [www.bu.edu/abroad/admissions](http://www.bu.edu/abroad/admissions)

**PROGRAM SCHEDULE**

**The First Six Weeks (Core Phase)**

Students take one core course in their academic area to prepare for their internships, and one elective course. Each student also meets with the program’s internship placement advisors to refine his or her area of work placement according to ability, professional goals, experience, and work habits.

**The Final Five Weeks (Internship Phase)**

Students participate in an internship and work full-time, five days a week. During this phase, students work on the academic component of the internship by attending faculty-led internship tutorials and completing a series of assignments including daily reports, a placement project, and analysis of the organization.

Internship areas include Advertising, Marketing & Public Relations; Arts & Media; Economics & Finance; Management; Politics & International Relations & Pre-law; Psychology & Health Sciences.
