BUCLD 40 Proceedings Publication Rights Form

This completed form must have original signatures from all authors. We require signatures in ink on paper. No faxed or electronic signatures, no exceptions.

Paper title:________________________________________________________

Author(s):_______________________________________________________

E-mail address for every author:_____________________________________

How to invert first author's name for references (as in "van Hout, Angeliek"):________________________________________________________

How to alphabetize first author's last name (as in "Hout"):_______________________________

The author(s) grant non-exclusive publication rights to Cascadilla Press for the above paper and all accompanying material. These publication rights include without limitation all forms of print and electronic publication. These publication rights may be further transferred or extended by Cascadilla Press to third parties in part or in whole. The author(s) warrant that this paper is the original work of the author(s), does not infringe any rights of others, and that the author(s) have the right to grant these publication rights. The author(s) also warrant that they have obtained written permission for any matter they have included by other authors where such permission is required by law. Copyright of this paper is retained by the author(s).

Signature(s):________________________________________________________

Date: __________________________
      Month/Day/Year

This form must be signed by all authors. Authors may sign separate copies of the form if that is more convenient.
