BU surveys its undergraduate degree recipients each year to learn about paths taken following graduation, including employment, graduate school, military service, and volunteer or service activities.

Data collection started prior to graduation and was concluded in January 2014. Methods included a web-based survey, phone calls, and LinkedIn research, resulting in data on 2,772 degree recipients or 69% of the class.

### First Destination Activity (n=2,772)

- **Full-Time Employment**: 72%
- **Graduate/Professional School**: 12%
- **Still Seeking**: 10%
- **Other Activities**: 6%

Other activities include: military service, volunteer/service activities, part-time graduate school with part-time work, and international students waiting for work authorization.

### Average Starting Salaries by School/College

- **ENG (n=112)**: $65,000
