Question at hand:

On March 2, 2016 at , the Student Elections Commission (SEC) received the following complaint:

Clean Slate continues to accuse NewBU of making the statement “students do not have rights”. This is a misquote and damages the reputation of NewBU.

Findings:

3/28/16

In a vote of 8-0 the SEC awards Clean Slate 50 violation points on the grounds that it is false information intended to discredit another campaign. That being said Clean Slate never clearly directed it at another slate, which is why the points awarded are below the minimum of 100 violation points for defamatory statements.

This brings the total number of violation points accumulated by Clean Slate to 110.
