Question at hand:

On March 31, 2016 at 11:16 PM, the Student Elections Commission (SEC) received the following complaint:

| Noor Turaif attacked BU Recharge and New BU as 'politically elitist' that 'sideline students.' This is defamation and a complete lie. Clean Slate is responsible for what their supporters say online. This online bullying is outrageous. |

Findings:

3/31/16

In a vote of 8-0 the SEC voted to award no violation points on the grounds that we did not consider this defamatory nor clearly targeting BU Recharged and New BU.
