The Department of Mathematics and Statistics at Boston University invites applications for a Full Time Lecturer position, beginning Fall 2015 for one year, subject to continued renewal with satisfactory performance. Requires teaching six introductory statistics and/or mathematics courses per year, three courses in both fall and spring semester. Strong commitment to teaching at the introductory level is essential. Submit the AMS cover sheet, CV, teaching statement and at least three letters of recommendation that address teaching, to http://www.mathjobs.org/jobs. Alternatively, mail all materials to FT Lecturer Search Committee, Department of Mathematics and Statistics, Boston University, 111 Cummington Mall, Boston, MA 02215. Applications will be reviewed on a rolling basis with preference given to those received by April 30, 2015. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law. We are a VEVRAA Federal Contractor.
