IMPORTANT INFORMATION REGARDING THE ENROLLMENT MATERIALS

Letter of Intent:
In order to plan for the summer, including registering you for classes and arranging your housing assignment, we will need to know as soon as possible whether you will be joining the program. Please indicate whether you will or will not be accepting your admission into the High School Honors program, and return all forms no later than one month after receipt of this packet (unless otherwise indicated in your acceptance letter). We will provide a payment deadline when we provide you with your BU ID number.

Please note: If you are attending one of our programs with a friend, you may request to room together. There is a space to make this request on the Letter of Intent. In order to be considered, a room request must be submitted separately by each student asking to share a room. Requests must be made by the date indicated in your acceptance packet and are not guaranteed.

After submitting your Letter of Intent, you will receive by email instructions for setting up your BU Computing Account, which you will then use to register for housing. All students must sign an electronic housing contract called the “Residence License Agreement.” You will be assigned a room and notified of your room location at check-in. Most students will be assigned to a double, but some may be assigned to singles or triples.

Summer II Registration Form:
You will find this form enclosed in your acceptance packet.

Please note: We cannot enroll you in your courses without a completed registration form and Letter of Intent. If you decide to change your courses after sending us your registration form, please email summerhs@bu.edu with your new course selections.

Please fill out the BU Emergency Alert Contact Phone Number. Since this number will be used to contact you in case of a University-wide emergency, please provide your cell phone number, not your parent’s phone number. Boston University policy requires all students studying on campus (residential and commuter students) to provide an emergency alert phone number. Students cannot be registered without one.

All Summer Term courses are assigned a College and Departmental code, a three-digit course number, and a section identifier. For example, with CAS EC101S B1, the first three letters of the class name stand for the college that offers the course, in this case the College of Arts and Sciences (CAS). The second two letters of the class stand for the department that is teaching the course, in this case the Economics Department (EC). The three numbers stand for the specific course, such as 101. The S indicates it is a summer course and the section number identifies which summer session the class is being taught in. Your class section number should begin with the letter B, for Summer II. The number in the section identifier is used to signify if there are different groups of the same class or labs for the class. For example, a lecture would have a B1 and the lab would have a B2. You should not register for more than 8.0 credit hours. This is generally two classes. There are some 2.0 credit classes but they often require as much work as a 4.0 credit class.
**Please note:** International students are required to enroll in 8.0 credit hours and commuter students need to enroll in a minimum of 4.0 credit hours.

If your class has a separate lab or discussion section, you must also register for it on this same form. Any extra lab fees will be charged to your student account, so be aware of adding the extra fees to your payment. Lab fees are listed at the end of the course description. Foreign language labs generally have no fee.

**Directory Information Restriction Form (Optional):**
This optional form allows you to restrict the information that Boston University can share.

**Payment:**
- If you choose to pay for the program using a credit card, you can use the following link. You will need your Boston University ID number, which we will email you after you have submitted your Letter of Intent and Registration Form.

This link can be found on our website under “How to Pay” for easier access:

[www.bu.edu/payment](http://www.bu.edu/payment)

- If you choose to pay by check, please make the check payable to Boston University. Please include the student’s name and BU ID number, as well as ‘HSH’ in the memo line.

- If wiring money from a foreign bank, please visit our website (below) to find more information on the two approved vendors: Flywire and Global Pay for Students.

[http://www.bu.edu/summer/high-school-programs/honors/how-to-pay.shtml](http://www.bu.edu/summer/high-school-programs/honors/how-to-pay.shtml)

**Parental Acknowledgement, Consent, & Release and Media Release:**
These are two standard release forms. Make sure to write your parent/guardian’s name and your name in the space provided and have your parent/guardian sign and date the form. In order to participate in the program, your parent/guardian must sign the Parental Acknowledgement, Consent, & Release form. The Media Release form is not mandatory (although we do like to include students’ photos and quotes in our publications, such as next year’s brochure and website).

**Immunization and Physical Form:**
This information is self-explanatory but very important. In case of emergency, this form will allow you to receive hospital care.

**Immunization Record Form, Meningococcal Waiver/Tuberculosis Record, and Health History Form:**
The information requested on these forms will be used in case of an emergency in conjunction with the Immunization and Physical Form. All three forms require a physician’s signature.

Please also provide a photocopy of the front and back sides of your health insurance card.
Waiver of Liability for BU Fitness and Recreation Center:
All program participants must fill out this form even if they do not plan on purchasing a membership to BU’s Fitness and Recreation Center since some of our activity options occur in the FitRec Center.

Please note: the form included in this packet is NOT a membership sign-up form. You can purchase a membership when you arrive on campus.

Music Practice Room Request (Optional):
If you are interested in using a practice room this summer, please send back the Music Practice Room Request Form enclosed in this packet. This will allow us to set up your access before you arrive on campus so you can start practicing right away. Musical instruments must be stored in your dormitory room.

Commuter Permission (Optional):
If you are planning on commuting, you must complete and submit the Commuter Permission Form alongside the other application paperwork.

The student’s parent or guardian will be notified and is responsible for bringing the student home within the 24 hour time period.
7. Students are expected to act respectfully toward program staff and other participants.

TUITION, FEES & ADDITIONAL EXPENSES

Fees: Your total cost will depend on which meal plan you choose (14- or 19-meals per week), how many courses you take, and whether or not you are taking a class that has additional lab fees. Additional course fees (labs, etc.) are listed in the catalog at the end of course descriptions. They usually apply to science courses such as biology or chemistry or to courses that take field trips around the city. Foreign language labs usually do not charge a fee.

**NOTE:** If you register for a course with an additional fee, please add to the total expenses (as listed in the course catalog). Examples include science courses with labs ($200).

*Residential students must register for two courses, unless they are taking a lab-based class and have received permission to enroll in only one course. Commuter students have the option to enroll in one or two courses for a minimum of four credits. International students are required to enroll in two courses for eight credits.

The Service Fees include all planned social activities.

**Methods of Payment:**
Please make one payment for the correct total amount listed above. If you are receiving financial aid from Boston University Summer Term High School Programs or are taking fewer than 8 credits, subtract that amount from the total.

- If you choose to pay using a credit card, please use the following link: [www.bu.edu/payment](http://www.bu.edu/payment). You will need your Boston University ID number, which you will receive by email within three weeks of our receipt of your Letter of Intent and Registration Form.

- If you choose to pay by check, please make the check payable to Boston University. Please write the student’s name, BU ID number, and ‘HSH’ on the memo line. Checks can be mailed to our office.

- If wiring money from a foreign bank, please visit our website (below) to find more information on the two approved vendors: Flywire and Global Pay for Students.
NOTE: No refund or reduction in Service Fees will be made for a student who arrives to the program late, leaves the program early, or is dismissed from the program due to a violation of the program guidelines. The tuition refund deadline is July 10.

Payment is due by May 29, 2017

Additional Expenses:

TEXTBOOKS: This will vary with the courses you select. Books can be expensive. Allow at least $100 per course. Books can be purchased when you get to campus. You do not need your books for the first day of class, so do not worry if you cannot buy them on Sunday when you arrive. The Barnes and Noble @ Boston University offers ebooks and textbook rentals for certain courses, which may be a more cost-effective alternative. Please visit www.bu.bncollege.com for more information.

Waiver for Meningococcal Vaccination Requirement

Meningococcal Waiver is ONLY if you plan on waiving the requirement for the Meningococcal Vaccine. If you have received the vaccine, please ignore the waiver.

I have received and reviewed the Meningococcal Information Form provided on the risks of meningococcal disease and the risks and benefits of meningococcal vaccine (available at www.bu.edu/shs/forms). I understand that Massachusetts’ law requires newly enrolled full-time students at secondary schools, colleges and universities who are living in a dormitory or congregate living arrangement licensed or approved by the secondary school or postsecondary institution to receive meningococcal vaccinations, unless the students provide a signed waiver of the vaccination or otherwise qualify for one of the exemptions specified in the law.

Please check the appropriate box below.

☐ After reviewing the materials above on the dangers of meningococcal disease, I choose to waive receipt of meningococcal vaccine.

-OR-

☐ Due to the shortage of meningococcal vaccine, I was unable to be vaccinated, but wish to receive vaccine.

From the Kenmore Square exit on Storrow Drive

- At the first set of traffic lights, turn right onto Beacon Street.
- At this point, the road forks. The left fork takes you into Kenmore Square (the large building on the right is the Myles Standish Residence Hall).
- Bear right at the far end of Kenmore Square onto Commonwealth Avenue (the Citizen’s Bank should be on your left).
- The Warren Towers Residence Hall is at 700 Commonwealth Avenue (on the left).
- Go just past Warren Towers and get into the leftmost lane for the next traffic light (you will be right in front of a courtyard and a large chapel-- this is Marsh Chapel). If you pass a bridge/overpass, you went too far. Turn around.
- At the light, make a U-turn to go the opposite way on Commonwealth Avenue and park in front of Warren Towers (or as close as possible).

*Extensive construction is planned for BU’s campus this summer. As our office is informed about the impact this construction will have on driving to campus, we will pass that information along to you by email.
