ADMINISTRATION AND JUSTICE

Brief summary: This book depicts the uncompromising Guinean justice and shows that it is an institution truly sick and paradoxically abandoned. It proposes measures as important as varied to make the institution more transparent while also maintaining the authority and prestige necessary for the proper administration of justice.
Country: Guinea Conakry

Brief summary: A guide to the French colonial archives in Senegal preserved in the main building of the Archives of Senegal in Dakar. It provides an insight into reflecting both the institution in charge of records management and the holdings themselves.
Country: Senegal

Brief summary: This book is intended for human resources managers, teachers, consultants and students. It includes guides and tables ready for use.
Country: Côte d'Ivoire

ECONOMICS AND DEVELOPMENT

Brief summary: Black Africa, despite its enormous natural wealth, is the continent that depends on an eternal support. There are voices questioning this paradoxical phenomenon that may create negative effects of unlimited length with all its attendant miseries.
Country: Togo
Brief summary: Is good governance a factor of development? This book reflects the changes and developments in the content of reforms driven by the IMF and the World Bank and by national economic policies consistent with the development options of countries like Guinea in the post-structural adjustment period.

Country: Guinea Conakry

Brief summary: In this book the author summarizes the result of years of reflection on the political choices of key governments that have succeeded in Guinea and their negative impact on the lives of the people despite the immense and diversified wealth of the country. Far from any activism, the author opts for a pragmatic alternative theory based on current economic thought and draws lessons from best practices observed both in countries of the subregion of West Africa than in developed countries.

Country: Guinea Conakry

Communauté Urbaine de Nouakchott. - Infrastructures et services urbains, Saint-Etienne, France, Communauté Urbaine de Nouakchott, 2011, 71 p.

Country: Mali

Brief summary: History of the African Student Organizations in France from 1900 to 1950.
Country: Senegal

Brief summary: The author denies the scope of the French school in Togo as an engine of sustainable development as its education systems are in structural mismatch with the cultural values, the needs and the environment of Togo. He calls for the development of effective and strictly African education policies.
Country: Togo

Brief summary: The author argues that the ideology conveyed by the school system in Togo under French mandate focuses on the civilizing mission of France, "rich and powerful" and the debt owed to it by the colonized peoples. This has dug a big gap between school and previous generations
Country: Togo

Brief summary: This book offers an approach to modeling, methodology, theory and writing a research project, from its conception to its completion through the literature, the implementation on the ground and the analysis of information. This is an introduction to the methodological literature in cultural anthropology. The book follows the experiences of teaching and research of an American anthropologist in West Africa.
Country: Guinea Conakry
