

FINAL REFLECTION: Research and Information Literacy (RIL) in Honors Thesis/Directed Study

(FORM 2 OF 2)

Due date: April 30, 2026 (last day of classes of semester applying for Hub requirement)

This document is a final reflection form for undergraduate students at Boston University who are completing an honors thesis or directed study project and need to fulfill the Research and Information Literacy (RIL) requirement in the BU Hub.

The form is due on **April 30, 2026** and requires students to reflect on how they met two specific learning outcomes related to searching for, selecting, and using information sources, as well as understanding and conducting the research process.

The reflection should be approximately two pages and include examples of activities such as meetings with mentors, training with librarians, and writing components.

Both the student and faculty mentor must sign the form, and the completed form along with the reflection paper should be submitted via email.

Upon submission, the student will receive a Hub unit in RIL, recorded as a 0-credit course with a passing grade on their transcript.
