Important Information

Supporting Documents

Please click on the link below to help you decide which documents will be useful in supporting your visa application.

[Check guidance for your visa type for information about the supporting documents you'll need](#)

False documents

It is better to explain why you do not have a document than to submit a false document with an application. Your application may be refused and you may be banned from travelling to the UK for 10 years if you use a false document, lie or withhold relevant information. You may also be banned if you have breached immigration laws in the UK. Travellers to the UK who produce a false travel document or passport to the UK immigration authorities for themselves and/or their children are committing an offence. If you are found guilty of this offence, you face up to two years in prison or a fine (or both).

Where I am applying for entry to the UK, I accept that the payment of an Immigration Health Surcharge may be required. I understand that separate rules governing whether the Surcharge is applicable and when a refund would be due are available via the visas and immigration pages of the gov.uk website. I am aware that I may be billed for any NHS medical treatment undertaken in the UK and that I do not have recourse to public funds during my stay in the UK. I understand that if I fail to pay NHS debts incurred by me this could adversely affect future entry clearance applications I make. I understand that my details may, in certain circumstances, be passed to fraud prevention agencies to prevent and detect fraud and money laundering. I also understand that such agencies may provide the Home Office with information about me. Further details explaining when information may be passed to or from fraud prevention agencies and how that information may be used can be obtained from the Home Office website. I am aware that it is an offence under the Immigration Act 1971 (as amended) to make a statement which I know to be false, or not believe to be true, in order to obtain a visa/entry clearance to the UK. I hereby apply for a transfer of a visa/entry clearance to the United Kingdom.

Biometric Residence Permit (BRP) Collection

If you are granted leave to enter the UK for over six months, you will be given a BRP as proof of your leave and conditions of stay. You can read more about the BRP here: <https://www.gov.uk/biometric-residence-permits>

You can collect your BRP from a Post Office or, if your sponsor is authorised by the Home Office, from your sponsor.

If you enter a UK postcode you will be assigned to a Post Office. If neither your Sponsor's Address Postcode nor Residential Address Postcode gives you a suitable Post Office branch, you may enter another UK postcode in the 'Alternative Location' field. You can find details of the location and opening hours of any Post Office branch here: <http://www.postoffice.co.uk>

If your sponsor offers collection from their own site, rather than the Post Office, they will have told you to use an ACL Code. If you have been issued with an ACL Code, please enter that code in the 'Alternative Location' field below. Your sponsor will tell you about the opening hours of their collection point. If you are studying at a University in the UK, and your Sponsor has issued you with an ACL Code, you must use it here. This will ensure that your BRP is available for collection from your Sponsor. If you fail to do so, you will have to collect your BRP from a participating Post Office, which may involve you having to travel away from your campus and could delay you obtaining your BRP.

If you are applying to enter a Crown Dependency (Jersey, Guernsey, or the Isle of Man), you will not be given a BRP and will not need to visit a Post Office. If this applies to you, please enter 'SW1H 0AH' in the 'Alternative Location' field below.

***NOTE!**

Although London students do not need a "BRP" card, the visa application can't differentiate between semester and full year students.

Please go ahead and complete this section with the SW7 4JU post code, and know you do not need to get a "BRP"

Biometric Residence Permit (BRP) Collection

You have now completed your application for leave to enter the UK.

If your application is successful, your passport/travel document will contain a 30 day visa to allow travel to the UK. You will also be sent a BRP Decision Letter with instructions on collecting your BRP after your arrival in the UK.

You must collect your BRP within 10 working days of arriving in the UK from:

Post Office - Kensington
208 - 212 Kensington High Street
London
W8 7RG

If you have chosen to collect your BRP from the Post Office you will find further guidance, and details of how to change the branch from which you will collect your BRP, here <https://www.gov.uk/biometric-residence-permits>

If your destination is a Crown Dependency (Jersey, Guernsey or the Isle of Man) you will not receive a BRP, and the advice above does not apply to you.
