Step Four: Mail Your Visa Application Materials (Standard appointments only)

Submit your full visa application to the British Consulate General in New York. If you are applying in the US, you must use the New York consulate. The only way to submit your full visa application is by mail – ***in person appointments, drop-offs, and pick-ups are not allowed.*** Applications are typically processed in 14-21 business days, upon arrival at the consulate.

THERE ARE TWO METHODS FOR SUBMITTING YOUR APPLICATION:

- 1. Use a group mailing through the BU Study Abroad office.**

BU Study Abroad will collect visa applications and mail them to the UK Consulate in New York on *TWO* mailing dates (**June 29** and **July 20, 2018**; pick one). You will need to provide your return shipping so the UK Consulate can mail your passport/visa back to you. [Purchase "Return Courier Service" through VFS Global](#). You will also need to purchase a return envelope (a bubble mailer works well) and attach the shipping label that is provided to you. Be sure that you will be at the address you indicate as your return address for at least 4 weeks after mailing. Keep in mind winter and summer breaks, and your campus' mail forwarding process when selecting an address.

Please use the following information on the VFS Global website when purchasing your shipping label:

- "Country of Residence" is the country you are applying *IN*
- "Visa Category" is "*Points Based System Tier 4 (UK Mainland)*"
- When selecting shipping, students should choose "*Return Courier Service*"

[USE THIS CHECKLIST](#) to make sure you have all the items you need to submit!

Submit your application to the BU Study Abroad office either in person or by mail (please use a trackable shipping method such as FedEx, UPS, or DHL). Once received, program managers will look for errors, and mail applications in a group to the New York Consulate.

* The advantage of this method is increased accuracy of your application, and occasionally reduced processing times. You will need to submit your application to the study abroad office exactly the same as you would send it to the consulate. If you need to expedite your visa application, please submit independently.

2. Mail your visa application independently to the British Consulate in New York.

You will need to provide round-trip shipping to and from the UK Consulate. [Purchase "Round-Trip Courier Service" through VFS Global](#). You will also need to purchase *TWO* shipping envelopes (bubble mailers work well), and attach the shipping labels that are provided to you. Be sure that you will be at the address you indicate as your return address for at least 4 weeks after mailing. Keep in mind winter and summer breaks, and your campus' mail forwarding process when selecting an address.

Please use the following information on the VFS Global website when purchasing your shipping labels:

- "Country of Residence" is the country you are applying *IN*
- "Visa Category" is "*Points Based System Tier 4 (UK Mainland)*"
- When selecting shipping, students should choose "*Round-Trip Courier Service*"

USE THIS CHECKLIST to make sure you have all the items you need to submit!

* This method might be right for you if you have international travel plans, need to expedite your application, or if you are unable to submit your application for a group mailing. You may request a time to meet with your program manager, either in person or by phone/email, to go over your full application prior to mailing.
