

1 ADVANCED CREDIT GUIDE (2023-2024)

1.1

About Advanced Credit

As a new student at Boston University, you may be eligible for advanced credit based upon:

- college courses completed during high school or during the summer
- Advanced Placement (AP) examinations
- International Baccalaureate examinations
- GCE Advanced-Level examinations
- French Baccalaureate examinations
- German Abitur examinations
- Italian Maturità examinations
- Swiss Maturité examinations

For specific information about credit awarded for IB, GCE, French Baccalaureate, German Abitur, and Italian Maturità examinations, please see bu.edu/admissions/apply/forms.

Credit that you receive may be awarded toward:

- BU Hub (general education) requirements
- requirements for majors and minors
- elective credit

While advanced credit may offer flexibility in educational program planning, please note that students accepted into the Accelerated Medical Program cannot receive advanced credit.

Advanced Placement Credit

Advanced Placement (AP) credit is college credit students earn before they matriculate (the first day of the first semester) at Boston University and may be applied toward the degree requirements as specified by the individual programs, schools, and colleges of Boston University. To be eligible to receive AP credit, first year students who applied from high school or a high school equivalent program must take the AP exam prior to matriculation at Boston University. To ensure accurate degree planning and effective advising, students should submit all scores before the first day of their first semester at Boston University. For transfer students, AP credit awarded by a prior institution will

be reevaluated as part of the transfer credit evaluation process. All students must submit official examination scores via the College Board. Please use BU's College Entrance Examination Board code, 3087.

AP credit is awarded as outlined on the [chart](#).

Credit for College Coursework

Credit for professional courses will be transferred at the discretion of the School or College of admission. Note: Students will not receive duplicate credit for exams equated to the same Boston University course. Courses taken through other universities do not meet BU Hub requirements, even if they are equated to a BU course that carries one or more Hub unit(s).

Transfer credit is not granted for physical education, health, dance, ROTC courses or for non-academic activities.

The basic unit of credit at BU is the semester hour. Coursework completed under a quarter-hour system is converted by awarding two-thirds of the total number of quarter hours.

Transferable coursework completed under a semester credit-hour system is transferred with an equal number of credit hours as awarded by the school from which you are transferring.

Credit for courses completed outside the United States will be evaluated by Boston University International Admissions staff. Credit for international curricula may vary; please contact International Admissions at intadmis@bu.edu if you have questions or concerns.

High School/Dual Enrollment Credits: Any college courses used to fulfill high school graduation requirements are not eligible for credit at Boston University. The Dual Enrollment Verification Form must be signed and submitted by your high school counselor to verify that the coursework did not count towards your high school graduation requirements. The coursework must also be completed at an accredited college or university in classes open to all students at the college or university. For more information on Dual Enrollment Credits, see our credit policies at <https://www.bu.edu/academics/policies/transfer-of-undergraduate-credit-from-us-institutions/> (corrected link)

Advanced Credit for International Baccalaureate Exams

Boston University also recognizes IB Higher Level exams may be applied to degree requirements. For more information, see the IB course equivalence chart at bu.edu/admissions/apply/faqs-helpful-forms/forms/. (corrected link)

Credit for Additional International Exams

Boston University awards credit other international external exams. See our policies at bu.edu/admissions/apply/faqs-helpful-forms/forms/.

Boston University reserves the right to change policy regarding advanced placement credit without advanced notice.
