

Preservation Studies Field Trip

Strawbery Banke Museum and Historic Portsmouth, New Hampshire

Saturday October 16, 2021

An introduction to the Museum's Heritage House Program that rehabilitates underutilized spaces to usable space such as apartments, office spaces and museum exhibition spaces. With a visit to in-process rehabilitation work at one of the houses. With Elizabeth Farish, Chief Curator; John Schnitzler, Restoration Carpenter; and Richard Candee, former Director of the Boston University Preservation Studies Program.

A heritage walk in Portsmouth guided by Richard Candee, including Marcy St., Prescott Park, Memorial Bridge, the Fire of 1813 and the "Brick Act", Warner House, Portsmouth Athenaeum and Portsmouth Historical Society/Discover Portsmouth (at the former Public Library).
