## Academic Positions

<b>Boston University, Department of Archaeology</b> <i>Research Assistant Professor</i>	2013-Present
<b>Boston University Marine Program</b> <i>Affiliated Faculty</i>	2015-Present
<b>Boston University Biogeosciences Program</b> <i>Affiliated Faculty</i>	2015-Present
<b>University of Maine, Department of Anthropology and Climate Change Institute</b> <i>Assistant Professor</i>	2011-2013
<b>National Museum of Natural History, Smithsonian Institution</b> <i>Research Collaborator</i>	2011-Present
<b>Program in Human Ecology and Archaeobiology, Smithsonian Institution</b> <i>Postdoctoral Fellow</i>	2010-2011
<b>Department of Anthropology, University of Washington, Seattle, WA</b> <i>Research Assistant</i>	2001-2005
<b>Burke Museum of Natural History and Culture, Seattle, WA</b> <i>Research Assistant, Archaeology Public Outreach Coordinator</i>	2000-2003

## Education

University of Washington, Seattle, WA Ph.D., Anthropology	March 2009
University of Washington, Seattle, WA M.A., Anthropology	March 2003
Bryn Mawr College, Bryn Mawr, PA B.A., History	May 1999

## Archaeological Field Experience

<b>Alutiiq Museum Community Archaeology Project and Field School, Kodiak, AK</b> <i>Co-Director</i> <a href="http://www.alutiiqmuseum.org/education/programs/208-community-archaeology.html">http://www.alutiiqmuseum.org/education/programs/208-community-archaeology.html</a>	2015
<b>Chirikof Island, Alaska Expedition</b> (funded by National Geographic) <i>Principal Investigator</i> <a href="http://sites.bu.edu/zooarchlab/research/">http://sites.bu.edu/zooarchlab/research/</a>	2013
<b>Alutiiq Museum and Archaeological Repository Field Projects, Kodiak Island, AK</b> <i>Archaeologist</i>	
<b>Old Harbor Excavation</b>	2013
<b>Penguk Excavation</b>	2010
<b>Olga Lakes Survey</b>	2006
<b>Chirikof Island Survey</b>	2005
<b>Uganik Island Excavation</b>	2004
<b>Red River Survey</b>	2004
<b>BOAS, Inc.</b> <i>Archaeologist</i>	2006-2007
<b>San Juan Islands Archaeological Project, San Juan Islands, WA</b> <i>Archaeologist</i>	2005
<b>University of Washington Field School, Kodiak Island, Alaska</b> <i>Teaching Assistant</i>	2001, 2003

## Publications

### *Peer Reviewed Publications*

- In press **West**, Catherine F., Meghan Burchell, and C. Fred T. Andrus. Shellfish and Paleoenvironmental Reconstruction in Island and Coastal Settings: Variability, Seasonality, and Sampling. In *Zooarchaeology in Practice*, edited by Christina M. Giovas and Aaron Poteate. Springer, New York.
- 2016 **West**, Catherine F., Courtney A. Hofman, Steve Ebbert, John Martin, Sabrina Shirazi, Samantha Dunning, and Jesus Maldonado. Integrating archaeology and ancient DNA to address invasive species colonization in the Gulf of Alaska. *Conservation Biology*. Published on-line in 2016. doi: 10.1111/cobi.12865
- 2016 **West**, Catherine F., Samantha M. Dunning, Steve Ebbert, Courtney A. Hofman, Patrick G. Saltonstall, and Jack Withrow. Archaeology and Invasive Species Management: The Chirikof Island Project. *Journal of Island and Coastal Archaeology*. Published on-line in 2016. doi:10.1080/15564894.2016.1172383
- 2015 **West**, Catherine F. and Christine A. France. Human and Canid Dietary Relationships: Comparative Stable Isotope Analysis from Kodiak Island, Alaska. *Journal of Ethnobiology* 35(3): 519-535.
- 2015 **West**, Catherine F. and Kayla N. Jarvis. Osteometric Variation in Domestic Dogs (*Canis familiaris*) from the Kodiak Archipelago, Alaska. *International Journal of Osteoarchaeology* 25: 289-298. Published online in 2012. doi:10.1002/oa.2293.
- 2013 **West**, Catherine F., Special Section Editor's Corner: Islands, Coastlines, and Stable Isotopes: Advances in Archaeology and Geochemistry. *Journal of Island and Coastal Archaeology* 8(2): 1-3.

- 2012 **West**, Catherine F., Stephen Wischniowski, and Christopher Johnston. Pacific Cod (*Gadus macrocephalus*) Otoliths as a Paleothermometer: Otolith Oxygen Isotope Reconstruction in the Gulf of Alaska. *Journal of Archaeological Science* 39(10): 3277-3283.
- 2011 **West**, Catherine F., Stephen Wischniowski, and Christopher Johnston. Little Ice Age Climate: *Gadus macrocephalus* otoliths as a measure of local variability. In *The Archaeology of North Pacific Fisheries*, edited by Madonna Moss and Aubrey Cannon, pp 31-44. University of Alaska Press, Fairbanks.
- 2011 **West**, Catherine F. A Revised Radiocarbon Sequence for New Karluk and the Implications for Kodiak Island Prehistory. *Arctic Anthropology* 48(1): 80-92.
- 2009 **West**, Catherine Foster. Kodiak Island's Prehistoric Fisheries: Human Dietary Response to Climate Change and Resource Availability. *Journal of Island and Coastal Archaeology* 4(2): 223-239.

#### **Other Publications**

- 2016 **West**, Catherine F. Book Review: Applied Zooarchaeology. *The Holocene*.
- 2015 **West**, Catherine F. How Old Is Karluk-One? In *Kal'unek: From Karluk*, edited by Amy Steffian, Marnie Leist, Sven Haakanson, Jr., and Patrick Saltonstall, p. 61. University of Alaska Press, Fairbanks.
- 2015 **West**, Catherine F. Learning from Fish Bones. In *Kal'unek: From Karluk*, edited by Amy Steffian, Marnie Leist, Sven Haakanson, Jr., and Patrick Saltonstall, pp. 156-157. University of Alaska Press, Fairbanks.
- 2014 **West**, Catherine F. Old Harbor, KOD-478: Faunal Analysis. In *Prehistoric Settlements of the Midway Bay Peninsula, Old Harbor, Alaska*. Report prepared for Old Harbor Native Corporation, by Amy Steffian and Patrick Saltonstall, pp. 170-175. Alutiiq Museum and Archaeological Repository.
- 2013 **West**, Catherine F. Book Review: Keystone Nations: Indigenous Peoples and Salmon Across the North Pacific. *Alaska Journal of Anthropology* 11: 195-196.
- 2011 **West**, Catherine F. Bone and Antler Tools. In *Is it a House? Archaeological Excavations at English Camp, San Juan Island, Washington*, edited by Amanda K. Taylor and Julie K. Stein, pp. 95-102. University of Washington Press, Seattle.
- 2006 **[West]** Foster, Catherine W. Faunal Analysis. Appendix C: *The Archaeology of Horseshoe Cove: Excavations at KOD-415, Uganik Island, Kodiak Archipelago, Alaska*, edited by Patrick Saltonstall and Amy Steffian, pp. 130-134. Occasional Papers in Alaskan Field Archaeology No.1, Bureau of Indian Affairs, Alaska.

## **Teaching Experience**

<b>Boston University, Department of Archaeology</b>	2013-present
<i>Research Assistant Professor</i>	
Archaeology 450 Archaeological Method and Theory (senior capstone)	
Archaeology 401/402 Work for Distinction Advising	
Archaeology 382/782 Zooarchaeology	
Archaeology 308 Archaeological Materials Analysis and Research Design	
Archaeology 307 Archaeological Science	
Archaeology 290 Human Impacts on Ancient Environments	
Archaeology 283 North American Archaeology	
<b>University of Maine, Department of Anthropology</b>	2011-2013

*Assistant Professor*

Anthropology 414 Ethics in Archaeology  
 Anthropology 475 Environmental Archaeology  
 Anthropology 478 Zooarchaeology  
 Anthropology 497 Independent Study  
 Anthropology 492 Capstone in Anthropology  
 Anthropology 340 Arctic and Subarctic Archaeology  
 Anthropology 280 Northwest Coast Prehistory

**Smithsonian Institution Internship Program**

2010-2011

*Supervisor***Northeastern University, Global Pathways Program**

2009-2010

*Lecturer*

Introduction to Environmental Studies

**Boston University, College of Arts and Sciences Writing Program**

2008-2009

*Lecturer*

Writing 100 and Writing 150: Readings in Archaeology

**University of Washington, Department of Anthropology**

2001-2007

*Instructor*

Archaeology 320 Prehistory of the Northwest Coast  
 Archaeology 499 Undergraduate Independent Study

*Teaching Assistant*

University of Washington Archaeological Field School  
 Archaeology 205 Archaeological Method and Theory  
 Archaeology 490 Museum Curation  
 Archaeology 105 World Prehistory  
 Curation Field School

**Professional Development**

2002-2015

Boston University Graduate Mentoring Seminar  
 University of Maine Center for Excellence in Teaching and Assessment Workshops  
 Boston University Teaching Colloquium Series  
 University of Washington Writing-Integrated Course Design Workshop  
 University of Washington Teaching Portfolio Development  
 University of Washington Preparing Future Faculty: Community College Field Trip  
 University of Washington Teaching Workshop

**Honors****New Generation of Polar Researchers Leadership Symposium, 2015***Selected Participant*

Sponsored by the National Science Foundation, Division of Polar Programs

**Most Innovative Methods Award, 2009**

Breadth in Anthropological Research Conference, University of Washington

**Grants and Fellowships****Boston University Office of the Provost, Assessment Mini-Grant, 2017***Assessment in Archaeological Science, \$1000*

**National Science Foundation, Division of Polar Programs, 2016-2019*****Principal Investigator***

*Collaborative Research: Archaeological and Paleoenvironmental Perspectives of Climate Change in the Aleutian Islands*, \$650,000

**Boston University Conference Travel Award, 2014**

Support for international travel, \$2000

**Undergraduate Research Opportunities Program Advisor, 2014-2017**

Support for undergraduate research projects and travel, \$3500

**National Geographic Society Explorers Grant, 2013-2014*****Principal Investigator***

*Archaeology, Climate Change, and Conservation in the Arctic*, \$17,000

**Pre-tenure Research and Creative Activity Fellowship, University of Maine, 2013**

Support for grant writing, \$16,000

**Center for Undergraduate Research Fellowship, University of Maine, 2013**

Support for undergraduate research project, \$2000

**Center for Excellence in Teaching and Assessment, University of Maine, 2012**

Faculty Development Funds, \$1300

**Center for Excellence in Teaching and Assessment, University of Maine, 2012**

Active Student Learning Micro-Grant, \$700

**National Science Foundation ADVANCE Research Seed Grant, 2012**

*Collaborative Research on Arctic Paleoenvironmental Reconstruction*, \$7,300

**Smithsonian Institution Postdoctoral Fellowship, 2010-2011**

National Museum of Natural History and Museum Conservation Institute, \$35,000

**National Science Foundation Dissertation Improvement Grant, 2006-2007**

*Human Dietary Response to Climate Change and Resource Availability*, \$19,800

**Prince William Sound Oil Spill Recovery Institute Graduate Research Fellowship, 2006-2007**

*Human Dietary Response to Climate Change and Resource Availability*, \$33,333

**Prince William Sound Oil Spill Recovery Institute Graduate Research Fellowship, 2005-2006**

*Human Dietary Response to Climate Change and Resource Availability*, \$33,333

**Jim VanStone Advanced Graduate Student Scholarship, Alaska Anthropological Association**

Support for dissertation research in Alaska, \$750

**Quaternary Research Center Dissertation Funding, University of Washington**

Support for dissertation research and travel, \$960

**SEARCH Open Science Meeting Student Scholar**

Support for students participating in the *Study of Environmental Arctic Change* conference, \$250

**James Fellowship, University of Washington**

Fellowship for students of high academic standards studying Pacific Northwest Anthropology, \$4,000

**Olson Fellowship, University of Washington**

Fellowship for academically outstanding student with Northwest Native American interests, \$1,400

## Museum Exhibits

- 2007 *500 Years of Fishing*, Alutiiq Museum and Archaeological Repository, Kodiak, Alaska.
- 2004 *Prehistoric Coastal Alaska: Artifacts that Reflect a Way of Life*, Burke Museum of Natural History and Culture, University of Washington.
- 1999 *African Mende Masks*, Bryn Mawr College Libraries  
(<http://www.brynmawr.edu/collections/Exhibitions/exh-mende.shtml>).

## Invited Talks

- 2016 **West**, Catherine F. *Applied Archaeology? Zooarchaeology, Genetics, and Landscape Reconstruction in the Arctic*. University of Massachusetts, Department of Environmental Conservation.
- 2015 **West**, Catherine F. *Archaeology, Historical Ecology, and Climate Change: 5000 Years in the Gulf of Alaska*. San Diego State University, Department of Anthropology.
- 2015 **West**, Catherine F. *A View from the North: Human Responses to Resource Abundance and Climate Change*. University of Connecticut, Department of Anthropology.
- 2014 **West**, Catherine F., C. Fred T. Andrus, Meghan Buchell, and Michael Etnier. *Abrupt Climate Change in the Aleutian Islands*. Symposium entitled "The Archaeological Record as a Paleoclimatic and Paleoenvironmental Archive," organized by D. Sandweiss and A. Kelley, Geological Society of America, Vancouver.
- 2014 **West**, Catherine F., Meghan Burchell, and C. Fred T. Andrus. *Shellfish and Paleoenvironmental Reconstruction in Island and Coastal Settings: Variability, Seasonality, and Sampling*. Symposium entitled "Current Issues in Zooarchaeological Sampling and Methodology," organized by C. Giovas and A. Poteate, Society for American Archaeology, Austin, TX.
- 2013 **West**, Catherine F. *Ukamak: Archaeology and Ecology on Chirikof Island*. September Science Series, Alutiiq Museum and Archaeological Repository, Kodiak, Alaska.
- 2013 **West**, Catherine F. and C. Fred T. Andrus. *High Resolution Sampling of *Saxidomus gigantea* in the Kodiak Archipelago, Alaska*. Symposium entitled "Small Samples, Big Questions: New Methods and Applications in Biomolecular Archaeology," organized by A. Henry, C. Hofman, and C. Warinner, Society for American Archaeology, Honolulu, HI.
- 2012 **West**, Catherine F. and C. Fred T. Andrus. *Paleoenvironmental Reconstruction in the Kodiak Archipelago: A Perspective from Arctic Archaeology*. Symposium entitled "Advances in Sclerochronology," organized by F. Andrus and D. Surge, Geological Society of America, Charlotte, NC.
- 2012 **West**, Catherine F. and Torben C. Rick. *A View from the Coast: Stable Isotope and Zooarchaeological Analyses of Canid and Human Diets*. Symposium entitled "Beyond Domestication: The Archaeology of the Human/Dog Relationship," organized by J. Koster and A. Perri, Society for American Archaeology, Memphis, TN.
- 2011 **West**, Catherine F. *Hunter-Gatherers, Climate Change, and Resource Availability in the Gulf of Alaska*. University of Maine Interdepartmental graduate seminar (INT 500), Orono, ME.

- 2011 **West**, Catherine F. *Archaeology at the Museum Conservation Institute: Stable Isotopes in Historical Ecology*. The 4<sup>th</sup> Annual Conservation Conference, Smithsonian Institution, Washington, D.C.
- 2011 **West**, Catherine F. *Paleoenvironmental Reconstruction in Alaska's Kodiak Archipelago*. Kodiak Area Marine Sciences Symposium, Kodiak, AK.
- 2010 **West**, Catherine F. *Fishing in the Little Ice Age*. Department of Anthropology, Oberlin College.
- 2010 **West**, Catherine F. *Cod, Culture, or Climate? Variability in Kodiak Island's Prehistoric Fisheries*. Symposium entitled "From Field to Table: Historical Ecology of Regional Subsistence Strategies." Department of Anthropology, University of South Carolina.
- 2008 **West**, Catherine Foster *Little Ice Age Climate: Gadus macrocephalus otoliths as a measure of local variability*. Symposium entitled "The Archaeology of North Pacific Fisheries", organized by M. Moss and A. Cannon, Society for American Archaeology, Vancouver, British Columbia.
- 2007 **West**, Catherine Foster *500 Years of Fishing*. Alutiiq Museum and Archaeological Repository September Science Series, Kodiak, AK.
- 2007 [**West**] Foster, Catherine W. *Fishing in the Little Ice Age: Human Dietary Response to Climate Change and Resource Availability*. First Thursday Archaeology Lecture Series, Portland State University.
- 2006 [**West**] Foster, Catherine W. *Kodiak Island's Prehistoric Fisheries: Human Dietary Response to Climate Change and Resource Availability*. Symposium entitled "Island Zooarchaeology: Synergy and Synthesis", Society for American Archaeology, Austin, TX.
- 2006 [**West**] Foster, Catherine W. *Kodiak Island's Prehistoric Fisheries: Human Dietary Response to Climate Change and Resource Availability*. Symposium entitled "Papers in Honor of Donald W. Clark", Alaska Anthropological Association, Kodiak, AK.

## Conference Proceedings

### *Conferences and Sessions*

- 2016 *Stable Isotopes in Zooarchaeology* conference organized by S. Pilaar-Birch and C. **West**, Stable Isotope Working Group, International Council of Archaeozoology, Athens, Georgia.
- 2015 Northeast Environmental Archaeology Network annual meeting organized by J. Marston and C. **West**, Boston University.
- 2015 *Islands and Invasions* session organized by C. Hofman and C. **West**, Society for American Archaeology, San Francisco, California.
- 2014 Northeast Environmental Archaeology Network annual meeting organized by J. Marston, C. **West**, and A. Smith, Boston University.
- 2014 *Molluscs as a Record of Human-Environment Relationships* session organized by C. Giovas, Z. Antipushina, and C. **West**, International Council of Archaeozoology, San Rafael, Argentina.

### *Papers*

- 2016 Fitzhugh, Ben, George Hambrecht, Michael Etnier, and Catherine **West**. *Human Ecodynamics of Subarctic Islands of the North Atlantic and North Pacific in Comparative Perspective*. Symposium entitled "Model Environments: Human Ecodynamics on Islands" organized by R. DiNapoli and T. Leppard, Society for American Archaeology, Orlando.

- 2016 Bassett\*, Christine, Fred Andrus, and Catherine **West**. *Clams and Climate: Implications for Reconstructing Past Environments in Southern Alaska*. Stable Isotope Working Group Meeting, International Council of Archaeozoology. \*first author is a student
- 2016 Bassett, Christine\*, C. Fred T. Andrus, Catherine **West**, and Michael Etnier. *Clams and Climate: Implications for reconstructing paleoseasonality in the North Pacific*. Paper presented at the 4<sup>th</sup> International Sclerochronology Conference, Bar Harbor, Maine. \*first author is a student
- 2015 **West**, Catherine F., Courtney A. Hofman, and Steve Ebbert. *Invasive or endemic? Management implications of archaeological data in the Alaska Maritime National Wildlife Refuge*. Symposium entitled "Islands and Invasions," organized by C. Hofman and C. **West**, Society for American Archaeology, San Francisco, California.
- 2014 **West**, Catherine F., C. Fred T. Andrus, and Michael Etnier. *Abrupt Climate Change in the Aleutian Islands*. Symposium entitled "Molluscs as a Record of Human-Environment Relationships," organized by C. Giovas, Z. Antipushina, and C. **West**, International Council of Archaeozoology, San Rafael, Argentina.
- 2014 Dunning, Samantha\*, Catherine F. **West**, and Courtney Hofman. *Genetic Continuity in Chirikof Island Ground Squirrels: Evidence from Ancient DNA*. Alaska Anthropological Association, Fairbanks, AK. \*first author is a student
- 2012 **West**, Catherine F. *Zooarchaeology and Conservation Biology in the Gulf of Alaska*. Borns Symposium, Climate Change Institute, University of Maine.
- 2007 Gregory-Eaves, Irene, Daniel Selbie, Guangjie Chen, Bruce Finney, Catherine Foster **West**, Daniel Schindler, and P. Leavitt *What can long-term paleolimnological records of sockeye salmon dynamics tell us?* Ecological Society of America/Society for Ecological Reconstruction Joint Meeting, San Jose, CA.
- 2006 [**West**] Foster, Catherine W. *Fluctuating Resource Abundance and Prehistoric Fisheries*. Breadth in Anthropological Research Conference, University of Washington, Seattle.
- 2005 [**West**] Foster, Catherine W. and Justin M. Hays *Preliminary Analyses of an Early Kachemak Midden at Horseshoe Cove, Kodiak Island*. Alaska Anthropological Association, Anchorage
- 2003 Fitzhugh, Ben, Jennie N. Deo, Catherine W. Foster [**West**], and Margaret R. Berger *The Tanginak Spring Site: Updating the Ocean Bay*. 11<sup>th</sup> Annual Arctic Conference, Seattle.

### **Posters**

- 2013 Cunningham, Samantha\*, Catherine F. **West**, and Courtney Hofman. *Genetic Continuity in Chirikof Island Ground Squirrels: Evidence from Ancient DNA*. Center for Undergraduate Research Showcase, University of Maine. \*first author is a student
- 2012 Bird, Kendra D. and Catherine F. **West**. *Zooarchaeology and Conservation Biology in the Gulf of Alaska*. Center for Undergraduate Research Showcase, University of Maine. **CLAS Dean's award for best student poster**. \*first author is a student
- 2011 **West**, Catherine F., Torben C. Rick, and Christine M. France. *Stable Isotopes in Historical Ecology, Kodiak Island, Alaska*. Society for American Archaeology, Sacramento, California.
- 2006 [**West**] Foster, Catherine W. *Prehistoric Fisheries in the Gulf of Alaska: Human Dietary Response to Climate Change and Resource Availability*. Poster presented at the 2006 meeting of the International Council for Archaeozoology, Mexico City.

- 2003 Deo, Jennie N., Catherine W. Foster [**West**], Margaret R. Berger, and Ben Fitzhugh *Shaking up the Neighborhood: Historic Perspective on Resilience and Vulnerability in the Gulf of Alaska*. Poster presented at the SEARCH Open Science Meeting, Seattle and the 11<sup>th</sup> Annual Arctic Conference, Seattle.

## Advisees

### *Current Graduate Students:*

Laura Masur Co-advisor, Ph.D., Boston University, Department of Archaeology  
 Sky Heller Committee member, Ph.D., University of Maine, Department of Anthropology  
 Christine Bassett Committee member, M.S. and Ph.D., University of Alabama, Department of Geosciences

### *Completed Graduate Students:*

Demetruis Brellas Committee member, Boston University, Department of Archaeology, Ph.D. 2016  
 Alicia Sawyer Committee member, Boston University, Department of Archaeology, M.A. 2016  
 Melyssa Huston Committee member, University of New Mexico, Public Archaeology Program, M.A. 2016

### *Undergraduate Students:*

Christine Mikeska Honors thesis advisor, Boston University, Department of Archaeology, BA 2016  
 Katherine Martinez Honors thesis advisor, Boston University, Department of Archaeology, BA 2017
