Important uses of *Arion* include:

Reference: For current articles as I find them through citations in related journals and books.

Student reading: I plan to employ the contents of issues in my teaching.

Publication outlet: My current research requires a publication outlet in this area. I need this journal to keep up to date with its editorial direction and interests.

Benefit to the Library: My evaluation of this journal’s content and direction is very high and it is cited and/or indexed heavily. Including this journal in our library will add to the library’s success in fulfilling overall faculty, staff and student needs.

Personal Affiliation & Dissemination: I regularly receive my own personal copy of the journal and recommend articles to students and colleagues. The library’s help in providing this material is most appreciated.
