Requirements for a **Minor in Biology**

**Five Courses:**
- BI 107
- BI 108
- 3 biology electives

- A grade of “C” or better is required in all minor courses.
- At least 3 minor courses must be taken in or cross-listed with the BU Biology Department.
- Advanced credit (e.g. AP credit) may be used for BI 107 and/or BI 108.
- Up to 2 of the 3 electives for the minor may be “Non-Departmental Courses” (see the Biography major Bulletin page for list).
- Up to one 4-credit Undergraduate Research in Biology course may be used as an elective.
- Up to 2 courses may overlap between a major and a minor or between two minors; at least 12 credits must be unique to the minor.

Courses that are not acceptable towards the Biology minor:

| BI 105: Introductory Biology For Health Sciences | BI 194: Topics in Biology 1 | MET BI 366: Neuro. of Human Cognition |
| BI 114: Human Infectious Diseases | BI 210: Human Anatomy | MET BI 566: Neurobio. of Consciousness |
| BI 119: Sociobiology | BI 211: Human Physiology | |
