

HOW THE CCD CAN HELP YOU

Dedicated to empowering students and alumni to make intentional decisions about their professional futures

GET CAREER READY

Build your career readiness with our workshops and one on one appointments. Explore career tools and discover identity-centered resources on our website. Get tips and advice from career educators, students, and employers via our career blog, BU + Beyond.

CONNECT WITH EMPLOYERS

Throughout the year, the CCD hosts a number of employer events, including career fairs, networking events, information sessions, and campus interviews.

POLISH YOUR RESUME

Need a resume or a cover letter review? Start with VMock, our AI tool for instant resume feedback. To add the finishing touches, consider our Resume & Cover Letter Drop-Ins. Visit our website for hours and more information.

PREP FOR INTERVIEWS

Check out Big Interview to improve your interview technique and practice answers to tough questions. We also host mock interviews with employers to further sharpen your interview skills.
