The Educational Resource Center (ERC) serves as an academic referral, training, and information resource center for the BU community at all levels.

Services include:

- Peer Tutoring
- Language Link Conversation Groups
- Workshops to improve academic skills
- Writing Assistance (Including ESL writing)

Staff is available to meet with students individually to design a personalized plan for academic success and/or to assist them in developing specific skills.

ERC services are free and can help all students who are interested in improving their academic performance!
