*If you will arrive after your program move-in day, move-in hours are 10am to 4pm, Monday through Friday.

When will I find out where I will be living?

First, you must complete your online housing application at least a week before your program move-in day. Then, BU Housing will notify you a couple of days before your move-in day with your assignment via email. You will be able to access your room assignment through your online Housing Portal.

What should I do if I arrive in Boston after 4pm or on a weekend day (Saturday or Sunday)?

If you arrive after **4pm** or on a non-move-in weekend day and you know your residence assignment, go to your residence office (check your BU Housing Portal for the address) to pick up your room key. If you do not know your residence assignment when you arrive, you will need to stay in a hotel at your own expenses until BU Housing is open the next business day. BU Housing must process your online application before you can be assigned to on-campus housing and before move-in arrangements can be made.

IMPORTANT: *The Residence License Agreement is a binding contract. There are no housing cancellations; once you have been assigned into BU housing, you will be responsible for full payment even if you change your mind. By entering your electronic signature (BU ID number) you confirm that you want to live on-campus in a Boston University dormitory residence for the duration of your program.*

If you have any questions regarding living on campus housing or meals, please contact BU Housing at sumhouse@bu.edu.
