

Center on Health Services Training and Research

The Center on Health Services Training and Research

Post-Doctoral Fellowship Program

Are you a physical therapist about to graduate from a doctoral program? We want YOU!

Full time, postdoctoral fellowship trainee opportunities (1 or 2 year) are available at the three participating institutions.

Benefits

- Didactic training
- Travel and technical support
- Information resources
- Health benefits, vacation days and sick days
- Annual stipend of \$55,000/per fellow (inflated annually)

Specialization

- Analysis of large data sets (Brown University)
- Implementation science and quality assurance research (University of Pittsburgh)
- Rehabilitation outcome measurement (Boston University)

CoHSTAR is a multi-institutional center dedicated to advancing health services and health policy research in physical therapy.
