- Students must meet any course pre-requisites to be eligible to take a course
- We do our best to keep course pre-requisites noted on this sheet current, but the most up to date pre-requisite listings are on MyBU Student.
- Courses taken outside Boston University cannot count toward a COM minor.
- Students in the B.S. Advertising, B.S. Public Relations, or B.S. Media Science degree program are NOT eligible to declare this minor.
- If you have taken a course under the previous course number/title, it counts toward the new number/title and cannot be taken again, as this would be a duplication of work.
