

COM Major Change Form

Name: _____ BU ID#: _____

BU Email Address: _____

Expected Graduation Date: ☐ January ☐ May ☐ August Year: _____

This form is used by undergraduate students who are **currently enrolled** in the College of Communication (COM) and are changing their major within COM.

All curriculum guides for the different COM majors can be found on the COM website at: <https://www.bu.edu/com/for-current-students/undergraduate-advising/curriculum-guides-minors/>

COM undergraduate students who want to double major within COM should schedule a time to meet with a COM Undergraduate Affairs Academic Advisor to declare their double major. Students cannot use this form to declare a COM double major. COM students can double major with two of the three COM Departments: the Film and Television Department, the Mass Communication, Advertising, and Public Relations Department, or the Journalism Department. (Note: Students cannot double major within the same COM department. For example, a student cannot double major in Public Relations and Advertising because both are offered in the same COM academic department and have overlapping requirements.) Please meet with a COM Undergraduate Affairs Academic Advisor or see the COM double major fact sheet for more information.

International students in F-1 status are restricted from changing academic programs (including majors, minors, and schools/colleges) until after their first academic year in the US. Please do not submit program changes until you are eligible. If you are not yet eligible to change your major, minor, or school/college through Intra-University Transfer (IUT), you may still enroll in courses that interest you. Please make an appointment with them to discuss your current and future academic interests.

Please be sure to check that you are successfully completing BU Hub general education requirements. All information about the BU Hub general education requirements can be found online at: www.bu.edu/hub.

Please download this form, complete it, save it, and email it as an attachment to COM Undergraduate Affairs:
