Guests will receive an email to accept their tickets. They will either have to sign in to their Agganis Arena Account Manager or create one.

If, for some reason, a guest can't find/never received the transfer e-mail, the workaround is to go to www.AgganisArena.com and select "My Account" to log into the Agganis Arena Account Manager portal. Once logged in, they can typically see a notification telling them they have tickets waiting to be accepted.
