

CHOOSE YOUR PATHWAY TO A CORE MINOR OR HONORS

The Core provides students a chance to earn Hub credit in the small seminar setting of a unique learning community. At the same time, Core students have the opportunity to choose from three distinct pathways to pursue academic achievements and research interests that go beyond the standard syllabus. **What do you want to do in Core?**

I WANT... A LIBERAL ARTS FOUNDATION

STEP 1

Complete the Core gateway courses:

<input type="checkbox"/>	CAS CC 101
<input type="checkbox"/>	CAS CC 102

WHEN PLANNING YOUR SCHEDULE,
REMEMBER THAT EVERY CORE COURSE
CARRIES HUB UNITS!

STEP 2

Complete 4 other Core courses:

<input type="checkbox"/>	CAS CC 111
<input type="checkbox"/>	CAS CC 212
<input type="checkbox"/>	CAS CC 221
<input type="checkbox"/>	CAS CC 222
<input type="checkbox"/>	CAS CC 201
<input type="checkbox"/>	CAS CC 202

STEP 3

Submit a Minor Declaration form
online via the CAS website

**Congratulations! You have earned
THE CORE MINOR**

I WANT TO... DESIGN A PROJECT THROUGH INDEPENDENT COURSEWORK

STEP 1

Complete 1 two-course sequence:

<input type="checkbox"/>	CAS CC 101 + 102
<input type="checkbox"/>	CAS CC 111 + 212
<input type="checkbox"/>	CAS CC 201 + 202
<input type="checkbox"/>	CAS CC 221 + 222

STEP 2

Consult with the Core Minor advisor;
book a meeting via core@bu.edu

STEP 3

Complete 4 other related classes:

<input type="checkbox"/>	Select four courses which relate to the topic of your project. At least two courses must be 300-level or higher and at least two must be in departments outside of Core
<input type="checkbox"/>	
<input type="checkbox"/>	
<input type="checkbox"/>	

STEP 4

Finish with CC 350, the two-credit
Capstone workshop in which you will
complete a **paper or creative project**

Congratulations! You have earned

**THE MINOR IN CORE
INDEPENDENT STUDIES**

I WANT TO... DESIGN A PAPER/PROJECT THROUGH INDEPENDENT RESEARCH

STEP 1

Earn B+ or higher in the full set of
eight main Core courses:

<input type="checkbox"/>	CAS CC 101 + 102
<input type="checkbox"/>	CAS CC 111 + 212*
<input type="checkbox"/>	CAS CC 201 + 202
<input type="checkbox"/>	CAS CC 221 + 222

* STEM majors may complete Core Honors
without taking CC 111 and 212

STEP 2

Consult with the Core Honors advisor;
book a meeting via core@bu.edu

STEP 3

Working with your faculty mentor,
plan and complete a research-based
paper or project which connects Core
texts and topics with outside fields

CORE RESEARCH IN ANY DISCIPLINE
MAY BE ELIGIBLE FOR UROP FUNDING!

STEP 4

Defend your finished project or paper
in front of a faculty committee.

Congratulations! You have earned

HONORS IN CORE
