Searching for courses by Hub area

1. Log into MyBU Student. Expand the menu on the left side of the screen if it is not expanded already. Select **Class Search**.

2. Select **More Filters**.

3. Open **Course Attribute** and select **Hub Requirements**.

4. Open **Course Attribute Value** and select the Hub area you want to search by. To add an additional Hub area, click the **+ button** and repeat this process. When you are ready, click **Search**.
