INDUSTRY UPDATES, JOB & INTERNSHIP OPPORTUNITIES FROM LOCAL EMPLOYERS

Core Solutions, Inc.

Core Solutions has been in the Customer Relationship Management Consulting business for 17 years. They sell and provide services for Microsoft Dynamics CRM, GoldMine and Infor and represent three powerful CRM solutions, each with its own unique feature-set. They match companies' needs to the right system.

Topics for discussion will include delivering enterprise solutions in the cloud, why CRM is moving to XRM, the impact XRM will have on enterprises in the near future and the skills necessary to help organizations transition to an XRM solution.

Remember to bring copies of your résumé – Job opportunities will be discussed.
