

Department of Computer Science Presents

TECH TALK

INDUSTRY UPDATES, JOB & INTERNSHIP OPPORTUNITIES FROM LOCAL EMPLOYERS

The RMR Group

“How Technology is Transforming Real Estate ”

Guest Speaker: Scott Bloomfield, Vice President

Thursday, October 4th

5:00 p.m. to 5:45 p.m.

808 Commonwealth Avenue, Room 109, Boston

Seating is limited. RSVP to csinfo@bu.edu with name and BU college/program.

The RMR Group is an alternative asset management company that has over \$30 billion of total assets under management, more than 1,700 properties, and employs almost 600 real estate professionals in more than 35 offices throughout the United States. With so much real estate under management, technology plays a key role in business operations. From ERP systems to smart buildings, learn how technology is transforming this trillion-dollar industry.

Scott Bloomfield is Vice President of The RMR Group LLC and is responsible for RMR’s business and reporting technologies. He has over 25 years of related experience and is a certified public accountant. He earned a Bachelor’s degree in Accounting from the University of Massachusetts at Lowell and a **M.S. in Computer Information Systems** from BU's MET Department of Computer Science.

JOB OPPORTUNITIES WILL BE DISCUSSED
