

# TECH TALK

INDUSTRY UPDATES, JOB & INTERNSHIP OPPORTUNITIES FROM LOCAL EMPLOYERS

## NETbuilder

*“Your future in software – paths to a successful and fulfilling career”*

**Thursday, April 28, 2016**

**5:00 p.m. to 5:45 p.m.**

**808 Commonwealth Avenue, Room 109, Boston**

*Seating is limited. RSVP to [csinfo@bu.edu](mailto:csinfo@bu.edu) with name and BU college/program.*

**JOB OPPORTUNITIES WILL BE DISCUSSED - Bring your résumé**

Join guest speaker **Tony Lysak, CEO and co-founder of NETbuilder** as he shares insight on the career opportunities available in software development and how to achieve success in the industry.

Tony drives the company’s vision, strategy and growth and is dedicated to building a team of world-class consultants to keep NETbuilder a world leading Digital and Technology Company.

His career began after he received a B.S. in Mathematics and Computer Science at the University of Sheffield, UK. Upon graduating, Tony worked at Racal Radar Defense Systems and eXcelon Corporation before founding NETbuilder in 1999.

Since founding NETbuilder, Tony has been on the forefront of their international growth, as well as delivering on various strategic client based roles, including software product analysis and industry benchmarking of ‘best’ products in the complex middleware market.
