To: Garetto, Stefania <garettos@bu.edu>

Cc: Bazdresch Barquet Carlos Santiago <cbazdreschb@banxico.org.mx>

Dear Professor Garetto,

I'm writing to you on behalf of the Directorate General of Economic Research at Banco de México. We are interested in hiring experienced or newly qualified Ph.D.s in economics or related fields for our headquarters in Mexico City. We offer an excellent working and research environment, an intense seminar series as well as internal workshops, conference travel support, a multinational workforce, a generally competitive salary vis a vis central banks, and most importantly for new PhD's, access to a rich set of unique databases on item-level prices, international commerce, bank loans, social security registries, banking, etc. We will be interviewing about 30 selected candidates during early January 2023, and flying out about 8-10 of them during February and March, for about 2-3 positions available. Please feel free to share this information with those Job Market candidates that you deem are likely to be the best fit, and invite them to apply online at [EJM - Econ Job Market](#). Applications received by November 18, 2022 will be considered fully. The application package is standard: CV, the JM paper, three letters of reference and a cover letter). If you have any questions, please do not hesitate to contact us.

Best regards,

BANCO DE MÉXICO

Santiago Bazdresch | Banco de México

Manager of Monetary Policy Issues

Monetary Policy Affairs Section | Directorate General of Economic Research
