NOTES:

1. **PASSED** means with a grade of **B minus** or better in all graduate level courses taken for your degree program. MA, MAEP and MAGDE students cannot fail more than two courses in their entire program; BA/MA and MA/MBA students cannot fail more than two courses in the graduate economics part of their programs.
2. A student enrolled in three to four-and-a-half courses (12-18 credits) will be considered full-time and will be charged full tuition and fees.
3. BA/MAs should see the undergraduate advisor for questions regarding their undergraduate degree.
4. MA, MAEP, MAGDE, and MA/MBA students must submit an electronic Intent to Graduate Form in order to graduate. <http://www.bu.edu/cas/students/graduate/grs-forms-policies-procedures/grs-masters-forms-policies-procedures/grs-masters-graduation-procedures/>
The Intent to Graduate Form is valid only for the graduation date specified; a new form must be submitted if the student does not graduate as planned.
5. BA/MA students only need to submit an Intent to Graduate form to the College of Arts & Sciences (CAS) in accordance with their deadlines. GRS will obtain tentative BA/MA and graduation lists from CAS and review them. BA/MA students receive the dual degrees simultaneously and only after completing all requirements for both programs.
6. MA/MBA's must file two separate Intent to Graduate Forms. The MA and MBA degrees will be conferred concurrently after completion of both programs.
