## **Post-Prospectus Dissertation Research Yearly Progress Report**

Fill out this report together with your advisor. If you both agree on the appraisal and deadlines, sign and date the form, confirming your meeting. Please flag any points of disagreement and note them (attach separate sheet if necessary). Please also attach an updated copy of your CV (list the publications submitted or in preparation, talks given or planned, and posters presented or planned) with a link to your google scholar's profile. Convene your Prospectus committee (meet together or separately) to discuss progress, plans, and potential stumbling blocks with this report as a basis.

1. Give a short description of your work during the past year. This may include a brief description of the problem you are working on, your research objectives, and possible technical challenges.
2. Give an assessment of your progress, results obtained, and potential obstacles.
3. Are there skills, areas, and/or milestones that require attention before the next review?
4. Student's request(s) for advisor's actions (e.g. more frequent meetings)
5. What milestones/results should be reached before graduation?
6. Expected date for graduation (and caveats, if any):
