Application for MINOR COLLEGE OF ARTS & SCIENCES (CAS)

Students: Complete all fields outlined in blue and digitally sign. Please e-mail the completed form to your faculty advisor for review; you may need to meet with your faculty advisor and/or CAS personnel to discuss your minor. General questions regarding a Minor in CAS should be directed to engrec@bu.edu; requirements may be found at <http://www.bu.edu/eng/academics/programs/minors/> or on the College of Arts & Sciences website.

*Please Note: 12 credits must be unique to the minor and may not count towards the fulfillment of majors or additional minors. Please indicate with an * any courses to be applied toward both the major and minor. In cases where three (3) specific courses are required by both the major and minor, e.g. Math and Physics, students need to list an additional course for the minor.*
