Companies Employing College of Engineering 2015 Graduates

Accenture – Business & Systems Integration Analyst; Digital Analyst	Ferrari F1 – Employee	National Grid – Associate Engineer; Transmission Planning
ADM Works – Mechanical Engineer	Fidelity Investments – Software Engineer	Navatek Boat Builders – Mechanical Engineer
AJO Partners – System Administrator	Foliage – Quality Engineer	Northrop Grumman Corporation – Mechanical Engineer I
AKF Group LLC – HVAC Engineer	Ford Motor Company – Chassis & Suspension R+D Engineer; Manufacturing Engineer; Product Development	Oasys Ventures, Inc. – Product Development/Mechanical Engineer
Alarm.com – Device Engineer	General Dynamics – Engineer I	Paytronix – Technology Consultant
Altera Corporation – Technical Marketer	General Dynamics Electric Boat – Mechanical Engineer	Pearl Gas to Liquids – Maintenance Mechanical Engineer
American Cooling Systems – Environmental Compliance Analyst	General Electric – Edison Engineering Development Program; Mechanical Engineer I; Operations Management Leadership Program; Software Engineer; Software Leadership Program	Pfizer – Chemical Biology Contractor
Arog Pharmaceuticals – Clinical Research Analyst	Google – Software Engineer	Philips Healthcare – Systems Verification Engineer; Test Engineer I
Arup – Project Manager Mechanical Engineer	Greystone Solutions – Associate IT Consultant	Pioneer Valley Photovoltaics – Commercial Solar Design Assistant
AstraZeneca – Global Leadership Development Graduate IT Program	Gruppo AB – International Sales Manager	PillPack – Software Engineer
AT&T – Technology Development Program	G.S. Precision – Manufacturing Engineer	Power Engineers – Distribution & Design
Atkins – Mechanical Engineer	Guild – Drafter	PricewaterhouseCoopers (PwC) – Associate Technology Consultant
Aurora Flight Sciences – Embedded Systems Engineer	Harvey Tool – Technical Sales Trainee	Privy – Software Engineer
Avanade – Systems Engineer	HDR – Mechanical Engineer	Putnam Investments – Software Developer
BAE Systems – Mechanical Engineer I; Quality Assurance Engineer I	Hello Tomorrow Community – MENA Chairperson	Rael Sprinkler Corporation – Commercial Solar Design Assistant
Beth Israel Deaconess Medical Center – Clinical Researcher	Honeywell – Rotational Engineer	Raytheon – Mechanical Engineer I; Operations Development Program
BL Companies – Mechanical Engineer	Hurst International – Division Manager	Saint-Gobain – Research Engineer
Boston Children's Hospital – Research Assistant	IBM – IT Support; Software Developer; Software Engineer; System Engineer	Samsung – CORP Engineer
Boston Medical Center – Medical Scribe	Inflection – Marketing Analyst Associate	Sensata Technologies – Mechanical Engineer
Brandeis University – Research Assistant	Innovative Technology – Mechanical Engineer	Siemens Healthcare – Biochemist I
BrandintheCity – Co-Founder and CEO	inviCRO – Image Analyst	Sikorsky Aircraft – Flight Test Data Liaison
Broadcom – Software Systems Engineer	Johnson Controls – Sales Engineer	Smith & Nephew – Development Engineer I; Quality Engineering Project Manager
Canback & Company – Business Analyst	Lockheed Martin – Associate Engineer	Space Exploration Technologies (SpaceX) – Propulsion Developmental Engineer
Cannonball Corporation – iOS Developer	Lutron Electronics – Project Manufacturing Engineer	Special Aerospace Service – Mechanical Engineer
Case Western Reserve University – Research Technician	Kazakhstan Aselsan Engineering – Functional Test Engineer	Stanley Black & Decker – Associate Operations Engineer
Cognex Corporation – Calibration Engineer	KPMG – Strategy Associate	Terrapin Computing – Founder and Developer
Cogo Labs – Technical Data Analyst	LabMinds – Support Engineer	Textron Systems – Engineer I
ConfromIS – CAD Engineer I	Leaders in Pharmaceutical Business Intelligence – Associate	Thasos Group – Software Engineer
Constant Contact – Software Engineer Development Program	Massachusetts General Hospital – Clinical Engineer; Research Assistant; Research Technician	The MITRE Company – Cyber Security Software Engineer
Cyient – Manufacturing Engineer	MC10 – Jr. Software Engineer	Toyota – Powertrain Calibration Engineer
D & G Machine Products Inc. – Project Engineer	McGraw Hill Financial – Software Developer	TransPerfect – Project Coordinator
Dana-Farber Cancer Institute – Flow Cytometry Core Technician	Medtronic – Associate Clinical Specialist	United Metro Energy Corporation – Terminal Operator
DePuy Synthes Institute – Associate Product Development Engineer	Microsoft – Service Engineer; Software Development Engineer	Vanderweil Engineers – Mechanical Engineer
Diagnostics for All – Product Engineer	Moderna Therapeutics – Information Systems Engineer	Vivonics – Biomedical Software Engineer
Draper Laboratory – Engineer	N2 Publishing – Sales and Leadership Training Program	Wayfair – Software Engineer
Eaton Corporation – Sales Engineer	NanaView – Embedded Systems Engineer	Wyss Institute – Research Fellow/Research Technician
eClinicalWorks – Product Development Manager		Zitter Health Insights – Research Analyst
eHana – Applications Support Analyst		ZY System – Manufacturing Engineer
EMC – Software Engineer		
Epic – Technical Services Engineer		
Eyeview – Production Engineer		
FamilyID – Product Specialist		

Graduate Schools Attended by College of Engineering 2015 Graduates
