## MS Project Proposal Form

Department of Electrical and Computer Engineering  
College of Engineering, Boston University

**Student Name:** \_\_\_\_\_ **BU ID:** \_\_\_\_\_

### Year and Semester of Registration:

Year: \_\_\_\_\_

Semester (circle one):

Fall      Spring      Sum1      Sum2

**Proposal Title:** \_\_\_\_\_

Proposals must be signed by the supervising ECE faculty member indicating he/she has read the proposal, approves of it, and is willing to supervise the project and to assist the student in meeting departmental standards for the expected quality of such projects.

Proposals must include an agreed upon evaluation and grading plan. Plans should include expectations for effort, communication and final deliverables, along with grading scales for those plans.

Proposals must be 3-5 pages in length, double-spaced, and typed in 11-point font.

### Proposal Outline: Please attach your proposal with the following:

1. Abstract (100-150 words)
2. Clear and precise problem statement ( ~ 1 page)
3. Discussion of prior work by others as reported in the relevant literature ( ~ 1 page)
4. Approach(es) to be used in carrying out the project ( ~ 1 page)
5. Plan and schedule ( ~ 1 page)
6. Evaluation and grading plan (~ ½ page)

### Supervising ECE Faculty Member:

Faculty Member name (print): \_\_\_\_\_ Date: \_\_\_\_\_

Faculty Approval Signature: \_\_\_\_\_ Date: \_\_\_\_\_

---

*ECE Department Use Only*

**ECE Master's Committee Approval:** \_\_\_\_\_ Date: \_\_\_\_\_

Return completed form and proposal to the ECE Master's Academic Program Manager
