

## ACCEPTABLE GENERAL EDUCATION ELECTIVE COURSES

The courses listed below may be used to satisfy the Engineering General Education Elective. The BU Cross-College Challenge (XC-433) may also be used to satisfy a General Education Elective.

### COLLEGE OF ARTS & SCIENCES (CAS)

CAS WR 098	Academic Writing for ESL 1	4 cr
CAS WR 099	Academic Writing for ESL 2	4 cr

**Note:** CAS WR 097 **cannot** be used to satisfy any degree requirements.

Any CAS course **not** designated as mathematics, computer science, or natural science.

**Note:** Non-native English speakers may not use a language course in their native language to fulfill this requirement. Students who are bilingual or fluent in another language other than English may not use a conversation course in that language to fulfill this requirement. If they are unable to read or write in their second language, they may use a grammar or composition course for this requirement.
