## **Boston University - College of Engineering Credit Distribution for Multi-Investigator Proposal**

### Instructions:

This internal form should accompany all proposals in which more than one faculty member has been involved in proposal initiation or preparation, even though only one individual may be listed as the official Principal Investigator . Its sole purpose is to properly distribute credit for the grant (if awarded) for the purpose of annual review, tenure, and promotion.

The percentages indicated below are not a statement of budget allocation or an indicator of how the funds will be spent.

All individuals listed on this form should agree with the indicated percentages of credit distribution.

Attach this form to the proposal on *top* of the OSP cover sheet.
