

EK 200 & ENG Sophomore Calendar – Fall 2024

Some of these events, including the career fair and block party, are open to more than just sophomores. Each event's date, time, and location are subject to change, and please direct any questions to quintonc@bu.edu. **Asterisked events*** are EK 200 meetings on the 2nd Wednesday of each month. If participating in EK 200, there will also be 2 small group outings, one in September and one in October, organized by your mentors.** Events highlighted in **green** are ENG Career Development Office (CDO) events that are relevant for sophomores.

September
