Department of Mechanical Engineering

Research Advisor Confirmation

As per the PhD Handbook, all PhD students must have a major doctoral Research Advisor by the end of their second term in the PhD program. The Research Advisor is responsible for mentoring the student through the doctoral process and in completing a dissertation. This form serves as confirmation from both the student and Research Advisor(s).

Based on this agreement filled out by advisor(s) and student, the student will be enrolled in the Research Advisor's appropriate research course for the semester designated by the PPM below.
