

ENG Spring 2026 Registration

Electrical & Computer Engineering

- Courses restricted during registration:
 - **EC311, EC327, EC330, EC401, EC402, EC410, EC412, EC413, EC414, EC441, EC464, EC504, EC513, EC521, EC523, EC528, EC530, EK307** are restricted to ECE & ENG only initially
 - **EC444** will have 7 seats open to anyone
 - **EC500 A1** will have 30 seats open to anyone
 - **EC503** will have 20 seats open to anyone
 - **EC583** will have 34 seats open to anyone
- Students should utilize the waitlist(s) in MyBU Student Portal for full/closed courses and will be added if there is space after ENG students register.
- Department contacts for questions: eceug@bu.edu

Biomedical Engineering

- All BME courses will be initially restricted to students with a BME Major (undergraduate or graduate) or BME Minor with a number of notable exceptions.
 - **BE 209** will have 6 seats reserved for prospective CGS students.
 - **BE 466** will be restricted to graduating seniors only.
 - **BE 518** is restricted to all ENG students (not just BME)
 - **BE 428, 468, and 478** (required BME design electives) are restricted to BME only. Students from other majors hoping to join the course (i.e. for their concentration) should join the waitlist to be admitted if there is space after BME students register or plan to take an applicable course in their home department.
 - **BE 571** will be restricted to BME undergraduates only; BE 771 meets with this course and is the intended section for graduate students.
- Students should utilize the waitlist(s) in MyBU Student Portal for full/closed courses and will be added if there is space after BME students register.
- Department contact for questions: Assistant Director of Academic Programs, Paula Maxwell (pmxwll@bu.edu)

ENG EK Core Courses:

- Courses restricted during registration:
 - **EK210** – Restricted to ENG, first come first serve.
 - **EK131** – restricted to ENG first years
 - **EK381** – restricted to ENG
 - **EK125** – Restricted to ENG
 - **EK103** – Restopen to all, first come first serve.
- Students should utilize the waitlist(s) in MyBU Student Portal for full/closed courses and will be added if there is space after ENG students register.

Mechanical Engineering

- **EK301, ME302 to ME360, and ME419** courses will be initially restricted to students with a ME Major (undergraduate or graduate). These courses will also hold a few administrative seats that will be used initially for minors and transfer students. After that, we will enroll on a case-by-case basis, using the waitlist.
- **ME416** will be mainly restricted to ENG juniors and seniors with the remaining administrative seats reserved for UG robotics concentrators. To register for a concentration spot, you will need to make sure that you are officially declared and that it is showing up on your MyBU record.
- **ME537** will have seats for MS ME students and UGs (priority to seniors then juniors) with a Manufacturing concentration. To register for a concentration spot, you will need to make sure that you are officially declared and that it is showing up on your MyBU record.
- **ME543** will have seats for MS ME students and UGs (priority to seniors then juniors) with an Energy concentration. To register for a concentration spot, you will need to make sure that you are officially declared and that it is showing up on your MyBU record.
- **ME571** will have seats for MS ME and MS RAS students and UGs (priority to seniors then juniors) with a Robotics concentration. To register for a concentration spot, you will need to make sure that you are officially declared and that it is showing up on your MyBU record.
- **ME584** will have seats for MS ME students and UGs (priority to seniors then juniors) with a Manufacturing concentration. To register for a concentration spot, you will need to make sure that you are officially declared and that it is showing up on your MyBU record.
- Students should utilize the waitlist(s) in MyBU Student Portal for full/closed courses and will be added if there is space after ENG students register.
- Department contacts:
 - EK301, EK335, ME360 to ME461 → contact Aubrey Franzoi, meadm@bu.edu
 - ME302 to ME358 → contact Christy Dang, bumeche@b.edu
 - ME500 to ME788 → contact Juliana Verrelli, mechems@bu.edu
