

Boston University College of Engineering 2026 Faculty Service Award Nomination Form

Please return nomination to Caleb Farny (farny@bu.edu)

Nomination deadline is Wednesday, Apr 29th

Nominee _____ Department _____

Nominator _____ Department _____

The *Faculty Service Award* has been established to recognize outstanding contributions made to the College of Engineering which are not directly related to teaching or research. This commendation will be presented during undergraduate Commencement on May 16th to a faculty member who has truly distinguished themselves in service to the College, University & Profession. Service may include involvement in recruitment, conversion or retention programs, participation on committees, assistance to student organizations, as well as distinguished service to the profession. A nomination letter addressing these points in place of this form is also acceptable.

Only those faculty members who are nominated will be reviewed for this award (self-nominations are accepted). Additional information/pages may be included.

* * *

1. List and describe contributions and distinguished service to the department, division and/or College.

2. List and describe contributions and distinguished service to the University.

3. List and describe contributions and distinguished service to the profession.

Use additional pages as necessary.
