

CIMER Entering Mentoring Program for Faculty Charles River Campus - Fall 2026

How will the sessions be structured?

- These discussion-driven sessions will center mentoring case studies, participant-led problem solving, and peer-to-peer sharing of best practices.
- Participants who attend all 4 sessions earn a CIMER certification.

Who should apply?

- Priority consideration will be given to faculty on training grants and early career faculty, but faculty from all fields are welcome to apply.
- Charles River Campus faculty who want to improve their grad mentoring skills should apply.
