A Growing Boston-based FQHC seeks a dynamic Chief Medical Officer (CMO)

The Position

This opportunity will take place in a mission-driven, results-oriented, growing and supportive environment. The CMO will report directly to the President and CEO and provide direct clinical care to patients, and leadership and management to an experienced clinical team of doctors, mid-levels, public health and behavioral health professionals, and quality improvement specialists. Managing the recruitment and retention of providers and clinical staff, continuing to implement the quality improvement program, and championing various initiatives for which the Health Center is well known and have received national recognitions are key functions of the CMO position. The CMO will be a key member of the Senior Executive Team (SET) and will participate in meetings of the Board of Directors. He/she will serve on various committees, both internal and external. The CMO will also interpret existing policies and develop new policies based on changes in the health care environment. This is a highly visible role within the Health Center.

Summary of Qualifications and Requirements

The successful candidate must have an unrestricted license as an M.D. in the Commonwealth of Massachusetts and be Board Certified in family medicine or internal medicine. This position should have at a minimum of 5 years of clinical experience and 3 years of progressive medical leadership and management experience. It is highly desirable that the candidate has experience in an ambulatory setting. Experience in population health management, quality improvement, and/or grant writing is strongly encouraged. The candidate must be a participating physician under the Medicare and Medicaid programs as well as in appropriate health plans. The desired candidate must also be outgoing and personable, committed to working with a diverse patient population, a caring clinician, a problem solver, and a collaborative/communicative leader. EOE

The Health Center provides comprehensive health care services to diverse populations in an underserved community and in a four-year old environmentally friendly state-of-the-art building. A seasoned team of compassionate professionals offer integrated primary care services -- adult/family medicine, dental services, OB/GYN-Women's Health (on-site mammography), and pediatrics, as well as a host of preventive health services and behavioral health services. The health center has a robust behavioral health program and public health programs. Many of its innovative initiatives have been nationally recognized such as Centering Pregnancy, Health Care Revival and our user friendly Community Health Report Card.

Interested Candidates should submit a Cover Letter and CV to the Human Resources Director at Mattapan Community Health Center, 1575 Blue Hill Avenue, Boston, MA 02126 or fax: 617.296.5408.
