

Bereavement Group

...for those who have lost a loved one to cancer or other long-term/chronic disease

BMC Cancer Care recognizes the significant burden of grief that family members may be left to carry when their loved ones pass after an extended illness. This grief can take twists and turns and affect people in different ways and at different times. Truly, everyone copes in his or her own way.

We offer this Bereavement Group to provide:

- certain support to those who find themselves continuing to struggle with their loss
- a time and place for those who recognize that it may be helpful to talk with and listen to others who have faced similar losses.

Recommended participation is 4 to 8 sessions.

Days / Times:

A) Mondays, 10:00-11:30AM B) Thursdays, 6:00-7:30PM

Contact us for dates when groups open up to new members.
