Dance Program Mission:

Our dance program provides students with technical, historical and compositional courses in multiple genres of dance designed to prepare and enhance their skills in communication, critical thinking and self-expression. Our curriculum choices offer multiple ways of investigating dance as a physical, aesthetic, intellectual and cultural practice. As part of *One BU /Recommendations for Accessing the Arts at BU*, we encourage our students to use their imaginative spirit to find opportunities to create innovative cross-discipline research and practice.

Course Description:

This course is for students who have had some ballet training or who are returning to ballet. Students will learn the ballet stance along with combinations at the barre and in the center that focus on developing alignment, strength, endurance, flexibility, control, coordination, and musicality. Students will be introduced to muscular and skeletal alignment and how these work together to achieve bending and straightening of the legs, turn-out, fifth position, and carriage of the arms. The structure of each class, with a forty-five minute barre and a forty-five minute center, will give the student a full body work-out that will include pliés, tendus, dégagés, jetés, rond de jambe a terre, relevés, fondues, grand battements, adagios, waltzes, pirouettes, petit, medium, and grand allegro work that will incorporate large leaps and introduction to tours. The center phrases of movement will focus on the athleticism of ballet along with development of fluidity by use of port de bras and a sense of musicality. References to the history of ballet will be an ongoing part of the class. Students will let the instructor know if she or he is planning on leaving class early. Students will do a collective reverence at the end of each class. Each class will have live piano accompaniment by Alla Troyanovsky.

Required Attire:

- Form fitted clothing required (dance, aerobic or bike wear); supportive undergarments recommended- sports bras for women and athletic supporters or dance belts for men.
- Please, no gum or dangerous jewelry.
- Hair secured away from face.
- Ballet shoes required.

Learning Outcomes:

- Students will be introduced to the basic ballet vocabulary, through class participation and through verbal guidance.
- Students will become aware through self-discovery of the muscles and anatomical structure that make it possible to turn-out the legs, stand in fifth position, and to elongate the spine and legs to assume the ballet stance.
- Students will gain confidence to execute short ballet phrases to music.
- Students will become informed dance viewers from having studied the intriguing art of ballet.
- Students will find that the study of ballet gives clarity and confidence to their experiences in class and to their general well-being outside of class.
