If food and beverages will be served, arrangements must be made in advance with both FitRec management and Catering on the Charles.

EMERGENCY PROCEDURES

Physical Education, Recreation and Dance employs Emergency Medical Technicians who are on-duty in the Fitness and Recreation Center during all hours of operation. They remain on duty until all recreational, instructional, intramural, and club sport programming has been completed for the day.

In the event of a medical emergency inside the facility, please notify Fitness and Recreation Center staff immediately and they will summon the EMT. Fitness and Recreation Center staff can always be located in the Tsai Fitness Center, the Member Services desk, and Pro Shop. The Emergency Medical Technician will assess the patient and determine what medical treatment is needed. The EMT may be able to render care on site or the patient may be brought to a designated first aid treatment room within the facility. If further medical evaluation or care is required, the EMT may arrange for an ambulance or another appropriate mode of transportation for the patient to a medical facility.

If the EMT is unavailable, a FitRec staff member will contact BUPD for assistance. In the unlikely event that a FitRec staff member is unavailable, please call the **Boston University Police Department at 617-353-2121**. Be sure to include your name, your location within the facility, and a description of the situation. They will dispatch an officer

and an ambulance to the facility. Have someone notify the Member Services desk and, if possible, have someone meet the ambulance crew and guide them to the patient.

PARKING

There are parking lots located adjacent to the Fitness and Recreation Center. Boston University's Agganis Arena parking garage (Lot A) and surface lots (Lot C-2) are available. Lot C-1 is now permanently closed.

Permit Parking

Lot A and C-2 will be available to Charles River Campus employees with valid green and red permits or University Guest Passes on a space available basis (on non-event days only).

Medical Campus permits are accepted on the Charles River campus with the same restrictions. A valid daytime permit for the Medical Campus (gold stickers) will be honored at Lot A and C-2 on a space available basis (on non-event days only). Evening permits at both Charles River and at the Medical Campus will both be honored after 4 p.m. (on non-event days only).

Non-Permit Parking

The Agganis Arena parking garage (Lot A) and surface lot C-2 will be available to Fitness and Recreation Center members and visitors at hourly and daily cash rates (\$2.00 per hour for up to 8 hours a day) during non-event days. Agganis Arena event parking restrictions apply. Between 6 p.m. and closing each night, Arena parking lot patrons will be asked to pay the maximum rate upon entry. When they leave they will be refunded for the hours that they did not use the lot.

Agganis Arena Event Parking Restrictions

Most performances and sporting events at the Agganis Arena take place during the evening and on weekends. Permit holders will be restricted from parking in the Arena facilities during events and 90 minutes prior to the start of a weekday and weekend evening performance. In addition, Arena parking facilities will be closed to permit holders on the day of some weekday and weekend matinee performances and University events (Spring Open House, Commencement, etc.). Permit holders wishing to park in West Campus during a scheduled Arena event will be directed to an alternate parking facility, subject to availability.

Event Notification

The Office of Parking Services and the Agganis Arena staff will notify permit holders in advance of event parking restrictions through the use of flyers, signs and event calendars. You may visit the Agganis Arena website at bu.edu/agganis/ to view their upcoming events calendar.
