Meets Mondays 2:30-3:20pm in L131: 0.5 Credit

Dance Program Mission:
Our dance program provides students with technical, historical and compositional courses in multiple genres of dance designed to prepare and enhance their skills in communication, critical thinking and self-expression. Our curriculum choices offer multiple ways of investigating dance as a physical, aesthetic, intellectual and cultural practice. As part of One BU / Recommendations for Accessing the Arts at BU, we encourage our students to use their imaginative spirit to find opportunities to create innovative cross-discipline research and practice.

Course Description:
This course is designed as an introduction to the American Style Tango. The class content for this section will include both Tango and Salsa and the class will meet with PDP DA 114 B1. Students who have had little or no instruction in Tango should begin their instruction here. The course is also in depth enough for students who may have taken previous Tango classes for the purpose of building confidence and gaining additional dance experience with a partner.

Course Objectives:
- **Basic Elements**: the four elemental movements that create the Ballroom & Rhythm styles. (walks, chasses, rock steps, triple steps)
- **Identifying Styles**: Students will be able to identify American style Tango and explain why it is the American style
- **Directional Movements**: Students will learn the six directional movements required performing Tango. [forward, back, left, right, rotating left, rotating right]
- **Basic Rhythm Comprehension**: Students will learn to hear the basic key rhythm associated with Tango.
- **Time Signatures & Beat Values**: Simple time signatures will be explained, and basic musical beat values will be taught and students are expected to be able to demonstrate them correctly according to the dance being danced. [Slow = 2, quick = 1, and = ½ a = ¼ ]
- **Basic Dance Holds & Positions**: Students will learn the basics of the various dance holds and dance positions. Proper alignment of the head, torso, hips, and feet in relation to the partner for sound anatomical correctness and improved dance performance.
- **Basic Leading & Following**: Students will learn the leader’s role and the follower’s role of partnership dancing.
- **Basic Foot Patterns & Amalgamations**: Students will learn basic principle figures [foot patterns] and build the confidence to amalgamate [connect] several of them together to create their own unique groupings.
**Required Attire:**
Shoes are the most important equipment. Please wear dance shoes, dance sneakers, or shoes that glide easily on the floor and stay on your feet. No sandals, no flip-flops and no bare feet.

There is no mandatory clothing. Wearing comfortable clothing and fabrics that make one feel like moving and dancing can be beneficial.
- Please, no gum or dangerous jewelry.
- Keep hair secured away from face.

**Learning Outcomes:**
- Students will have fun and comprehend the basic concepts of Tango and Salsa through a combination of oral instruction, visual demonstration and on the floor participation.
- Students will demonstrate basic partner dancing in Tango and Salsa according to the music being played.
- Students will develop interpersonal relationship skills that can carry beyond dance alone.
- Students will develop a healthier physical lifestyle by consciously using and coordinating their mind and body in movement through the medium of Tango and Salsa.

**Lockers:** Permanent lockers are available. All lockers are issued on a first come, first serve basis. Members use a Day Locker for free. See the staff at ProShop. Otherwise, bring your valuables into the studio.

**Grading Policy:**
This class will be graded Pass/Fail, based on attendance. Please visit the Registrar’s website often to view relevant deadlines! Below is a list of possible grades you may receive in this class:

**P – Pass:** Completed course requirements, 80% or more classes attended (3 absences)

**W – Withdraw:** If you drop this class after the specified deadline, you will receive a “W” grade.

**MG - Missing Grade:** If you decide you do not want to take this course, but forget to drop it, this grade will appear on your transcript. You will still be allowed to graduate and it will not affect your overall GPA, however you are strongly encouraged to drop this course within the allotted deadline to avoid this grade. Dropping before the deadline will remove this class from your transcript entirely.

**I – Incomplete:** If you fail to meet the attendance requirements of this course, you will receive an “I” until you have made up all missed classes. Please make arrangements with your instructor to do so within the following semester. Your grade will be changed to a “P” once you have made up all classes.

**AU- Audit:** If you intend to audit this class, please fill out and ask your instructor to sign a Class Adjustment/AU form and turn it in to the Registrar’s Office by the deadline.

**F- Fail:** It is very unlikely that you will receive a failing grade. Your instructor is happy to work with you to make up any missed classes. A grade of “F” will only be given in extenuating circumstances.

**Letter Grade:** Dance Minors will receive a letter grade (A, B, C, D) indicative of their attendance, skill and improvement throughout the semester. (Note that these factors are directly correlated; good attendance leads to improvement and success.)

Full participation for the entire class is expected from all students; injured students may receive credit for observing class. Students who will be missing class, arriving late or leaving early for any reason should please notify instructor in advance.

Standard Make-Up Options:
- Attend other credit dance classes taught by your instructor.
- Attend other credit dance classes after receiving permission from instructor.

**Curriculum Notes:** Weekly curriculum presentation may change based on the learning capacity and retention rate of the class being instructed. Classes may receive instruction in an additional dance as time & class retention rates permit. There are multiple skill levels in Tango so it is recommended that students to be able to continue and/or repeat enrolling in this course and section in multiple semesters.
