

Agganis Arena Post Event Cleaning

Proud home of the Boston University Terriers hockey team and host to many concerts, shows, and university events, Agganis Arena provides SAO Groups & Clubs the opportunity to earn funds for their group throughout the year.

At the conclusion of each event, we rely on assistance from groups like yours to clean the arena as we set up for the next scheduled event. Groups can earn anywhere from \$500 - \$800 for their effort, depending on the size of the event. You'll work with the operations department and be responsible to pick up trash, sweep and clean each seating section and sort out recycling and compost. As Agganis is one of the busiest building on campus, your help goes a long way in reaching ours and the university's sustainability goals and maintaining a world class venue.

We schedule each Post Event Cleaning group for a 5-hour shift, but if the group brings the minimum required number of 20 participants and works together as a team, it generally takes 3½-4 hours. Before being able to sign up for shifts, you will need to register your group with Agganis Arena and have two group leaders attend a required training session.

We generally have 30 groups help each academic year. Many groups work more than one event as Agganis regularly hosts 60-80 events throughout the academic year. For more information or to start the registration process, please email Darryl Racca, Manger, Operations at Agganis Arena at dracca@bu.edu or Patrick Finnegan, Assistant Operations Manager at Pjf@bu.edu .
