New PERD Parking Arrangement

Synopsis

- The PERD 12-passenger vans are parked on Babcock Street and in Langsam Garage (minivans will still be parked on P2 of Agganis Arena).
- We will have 4 spots designated for PERD inside of the Langsam Garage.
- We will have 7 spots designated for PERD outdoors on the Babcock Street Extension.
Garage Information

- PERD has four designated spots in the Langsam Garage
- The entrance to the Langsam Garage is located on Gardiner Street
  - There is a gate and camera at the front of this lot. The camera will read the license plate and allow entry/exit to the garage.
  - Common Camera Issues
    - PERD anti pass back – (system thinks van is out when it should be inside or the reverse). To fix, hit call button.
    - License plate not found – System is only reading partial part of plate. Backup and try again.
    - No plate found – System cannot find any license plate. Backup and try again.
    - **DO NOT TAKE A TICKET.**
- Our spots are located on the wall of the garage that parallels Babcock Street
  - After taking a right turn to enter the actual garage, simply drive straight back to the far wall and our spots are directly in front of you
Babcock Extension Information

- PERD has seven designated spots outdoors on the Babcock Street Extension
- There is no thru-traffic on this part of the road so please take a wide turn when parking your van, being very careful to park within the yellow lines
- Due to the size of the street and the fact you will most likely have other vehicles parked next to you, it is likely that when backing your van out of the spot it will be necessary for you to back out so that you are facing the end of Babcock Street. You will then need to drive to the end of the street to turn around. Remember to always use a spotter when backing.

General Information

- If all designated PERD spots are occupied by vehicles (both inside and out), please park in the nearest available non-reserved spot inside of the garage
  - If you park in a non-PERD spot, please be sure to note this in your binder
